SUMMARY

PROJECT OVERVIEW

On this project, we've teamed up with the Argentina Cricket Association to enable you to coach at various local schools and cricket clubs. You'll work as an assistant coach alongside the head coach, with children from the age of 8 to 15.

There are no Spanish requirements and you just need to know how to play the game; you don't need to be an expert or a qualified coach. All you need is a big portion of enthusiasm and an energetic personality who can convey the concepts of playing a team game (like honesty, loyalty, friendship, etc).

The schools and clubs that play cricket in Buenos Aires are traditional (and in most cases, bilingual) institutions, where cricket is an important part of the tradition and culture, not only from an aspect of the sport itself, but also the values attached to the sport, such as manners, sportsmanship, politeness, etc.

Hours of work are from Monday to Friday, for an average of 4 hours a day, with cricket activities during school terms exclusively in the afternoon and with all-day sporting activities in many clubs during the summer holidays, and cricket would be played for an hour or so during the day.

Matches sometimes take place at the weekends and you'll be encouraged to attend these, although it won't be obligatory to do so.

- Organisation and planning of each class
- Pupil motivation
- Organisation of events and competitions
- Fitness/physical training
- Coaching of rules
- Refereeing

With younger kids the emphasis is on participation and having fun, while with slightly older kids, although technical coaching is not required by the volunteer, activities he/she will be involved in are more likely to be participatory, like catching exercises, bat-ball games, or hand-eye co-ordination drills.

Volunteers are more than welcome to play as well, regardless of their standard. Most clubs have three teams, with a wide range of standards between first and third teams. There is also a women's league for female volunteers.

SEASONS AND AVAILABILITY:

The peak seasons are from October to November and February to March, but coaching does take place all round the year, apart from a three-week break from Christmas to mid-January.

Some of the schools and clubs you will be working at might be located in the suburbs of Buenos Aires but usually no further than one hour travel distance from the city centre.

Cricket is very popular in Argentina and you'll thoroughly enjoy the time you spend there as well as the work you'll do with the children. Your coaching schedule will give you plenty of time to pursue other activities like doing a **Spanish language course** or a cultural course, if you'd like to, or sightseeing. Buenos Aires is an exciting city!

ACCOMMODATION

There are two choices for accommodation in Buenos Aires. You can choose to stay in a hostel where you will meet up with other travellers or for a more cultural experience you can choose to stay with a local family.

The hostel is located in the central district just a 15 minutes walk from the congress in one direction and Casa Rosa in the other. There are many shops, supermarkets, restaurants and banks nearby and just a few minutes walk from the nearest metro station.

This is a privately run, independent hostel for backpackers and comprises basic but clean facilities. You will usually share a room with up to five other guests and if there are other volunteers there at the same time as you, we will arrange for you to be in the same room.

Accommodation is arranged into single sex rooms and you will have a bunk bed. The bathrooms are shared (with hot water) and have a locker.

Food: If you're staying in a Hostel, you'll be given an allowance for your meals (breakfast and dinner, lunch is excluded projects in Buenos Aires). This arrangement is to give you the flexibility to sample the great Argentinean food. Right on the door step of the hostel there are many cafes and restaurants with great priced menus just waiting for you....the choice is yours!

HOST FAMILY: For a more cultural experience you can choose to be accommodated with a local family. This allows you to get a better understanding of the culture of Argentina and you will be fluent in Spanish in no time! Basic/intermediate Spanish is required to stay with a Host Family. Please note that if you'd prefer to live with a host family, there is an additional supplement of £190.00 per month with half-board.

These families have been visited and vetted by Travellers and are with friendly and caring families who provide comfortable, warm and safe living surroundings. You'll most likely have access to TV/DVD and communal dining room and you will have your own key. This is an excellent way to improve your Spanish too! You will be met at the airport on your arrival by your family.

Food: Breakfast and dinner will be provided by your host family.

THINGS TO DO IN ARGENTINA

The romance of Argentina takes one's breath away. From the northern deserts to the southern Andean Cordillera, from Iguazú Falls to the magnificent desolation of Patagonia, Argentina's geography is varied and stunning. Argentina is geared up to thrill - from nights **tango**-ing in the chic quarter of Buenos Aires to **gaucho riding** in the grasslands of the Pampas.

Cosmopolitan Buenos Aires:

Buenos Aires is one of the most exciting cities in Latin America. Tango was born here, restaurants serve all manner of world cuisines, bars play the latest music, cafés spill on to the streets and nightclubs allow dancing throughout the night.

This fabulous city is renowned for its sophistication and has a surprisingly European feel about it.

BA is reminiscent of Paris and its tree-lined avenues and frequent plazas have a beguiling, faded elegance.

Downtown, the **Plaza de Mayo** is the traditional focus of activity.

Nearby **Avenida 9 de Julio** is popularly known as the world's widest thoroughfare and, with its nine lanes of traffic, is truly a pedestrian's nightmare!

Avenida Santa Fe is the most fashionable shopping area.

There are 4 clear seasons.....hot in summer, 35°C average and cold in the winter around 4 – 6°.
