SUMMARY

COURSE OVERVIEW

“The elusive spirit of Argentina is present everywhere in Buenos Aires. The national dance, the Tango, is perhaps the best expression of that spirit - practiced in dance halls, parks, open plazas, and ballroom's, it is a dance of intimate separation and common rhythm, combining both an elegant reserve and an exuberant passion.”

THE TANGO PROGRAMME

Learn to Dance in Buenos Aires, the elegant capital city of Argentina and home of the flamboyant Tango! During your placement you will have lessons with a private tango teacher, who will tailor your programme to your individual level of expertise.

COURSE CONTENT

During your programme you'll have lessons with one of two private tango teachers who regularly teach in various places throughout Buenos Aires. The lessons scheduled for you are:

- Five private tango classes per week, each lasting one hour. These will usually be taken in the afternoons but there will be some flexibility, depending on your teacher's schedule.
- One Milonga. A Milonga is an open Tango party where all levels mix together. People from all over come to this weekly social event, where everyone dances together and continually change couple - all lots of fun!

Your dance schedule will allow plenty of time for sightseeing and absorbing the experience of being in Argentina.

ACCOMMODATION

There are two choices for accommodation in Buenos Aires. You can choose to stay in a hostel where you will meet up with other travellers or for a more cultural experience you can choose to stay with a local family.

The hostel is located in the central district just a 15 minutes walk from the congress in one direction and Casa Rosa in the other. There are many shops, supermarkets, restaurants and banks nearby and just a few minutes walk from the nearest metro station.

This is a privately run, independent hostel for backpackers and comprises basic but clean facilities. You will usually share a room with up to five other guests and if there are other volunteers there at the same time as you, we will arrange for you to be in the same room. Accommodation is arranged into single sex rooms and you will have a bunk bed. The bathrooms are shared (with hot water) and have a locker.

Food: If you're staying in a Hostel, you'll be given an allowance for your meals (breakfast and dinner, lunch is excluded projects in Buenos Aires). This arrangement is to give you the flexibility to sample the great Argentinean food. Right on the door step of the hostel there are many cafes and restaurants with great priced menus just waiting for you....the choice is yours!

HOST FAMILY: For a more cultural experience you can choose to be accommodated with a local family. This allows you to get a better understanding of the culture of Argentina and you will be fluent in Spanish in no time! Basic/intermediate Spanish is required to stay with a Host Family. Please note that if you'd prefer to live with a host family, there is an additional supplement.

These families have been visited and vetted by Travellers and provide comfortable, warm and safe living surroundings. You'll most likely have access to TV/DVD and communal dining room. This is an excellent way to improve your Spanish too!

Food: Breakfast and dinner will be provided by your host family.

"I'd been dancing 5 months in the UK when I did a one month Tango placement in Buenos Aires with you guys. I stayed on in Buenos Aires to dance and I ended up writing a guide book for tango travellers to Buenos Aires - took me about two years from start to finish, but I got there in the end!"

Sally Blake

“I have been very impressed with Travellers’ staff who are always interested in how I am getting on and willing to help if I need it.”

Jess Corbett

"First impressions are great! Made some friends quickly and the organisers here are also very professional."

THINGS TO DO IN ARGENTINA

The romance of Argentina takes one's breath away. From the northern deserts to the southern Andean Cordillera, from Iguazú Falls to the magnificent desolation of Patagonia, Argentina's geography is varied and stunning. Argentina is geared up to thrill - from nights **tango**-ing in the chic quarter of Buenos Aires to **gaucho riding** in the grasslands of the Pampas.

Cosmopolitan Buenos Aires:

Buenos Aires is one of the most exciting cities in Latin America. Tango was born here, restaurants serve all manner of world cuisines, bars play the latest music, cafés spill on to the streets and nightclubs allow dancing throughout the night.

This fabulous city is renowned for its sophistication and has a surprisingly European feel about it.

BA is reminiscent of Paris and its tree-lined avenues and frequent plazas have a beguiling, faded elegance.

Downtown, the **Plaza de Mayo** is the traditional focus of activity.

Nearby **Avenida 9 de Julio** is popularly known as the world's widest thoroughfare and, with its nine lanes of traffic, is truly a pedestrian's nightmare!

Avenida Santa Fe is the most fashionable shopping area.

There are 4 clear seasons....hot in summer, 35°C average and cold in the winter around 4 – 6°.
