SUMMARY

PROJECT OVERVIEW

The radio programme that you'll work on is on air daily between 09:00 to 11:00 and broadcasts as an alternative form of communication, reflecting on information provided by reports from the mass media. The show often features telephone interviews with guest speakers.

You'll act as an assistant to the Producer, thus gaining a real insight into the running of a radio station, together with a general understanding about current affairs issues in Argentina.

Each programme has its own team of presenters, producers and technicians. You will assist the team in preparing and producing the program that is being aired that day. This will include:

- basic editing of the radio programme (batch cleaning, music and columns),
- digital editing of interviews related to the programme and
- preparation of lists ready for replaying on the air.
- You will also be involved with production work during the live broadcasting of the show.

When the programme is off air, you'll be liaising with advertising agencies, receiving guests invited onto the studio, making telephone calls, summarising information and undertaking a variety of research work, such as reading newspapers to identify newsworthy stories.

You'll also be involved in team meetings and be able to contribute towards the development of new ideas. You'll be made to feel very much part of the team!

If you have a sufficient level of Spanish, you may even be asked to broadcast special announcements yourself.

ACCOMMODATION

There are two choices for accommodation in Buenos Aires. You can choose to stay in a hostel where you will meet up with other travellers or for a more cultural experience you can choose to stay with a local family.

The hostel is located in the central district just a 15 minutes walk from the congress in one direction and Casa Rosa in the other. There are many shops, supermarkets, restaurants and banks nearby and just a few minutes walk from the nearest metro station.

This is a privately run, independent hostel for backpackers and comprises basic but clean facilities. You will usually share a room with up to five other guests and if there are other volunteers there at the same time as you, we will arrange for you to be in the same room. Accommodation is arranged into single sex rooms and you will have a bunk bed. The bathrooms are shared (with hot water) and have a locker.

Food: If you're staying in a Hostel, you'll be given an allowance for your meals (breakfast and dinner, lunch is excluded projects in Buenos Aires). This arrangement is to give you the flexibility to sample the great Argentinean food. Right on the door step of the hostel there are many cafes and restaurants with great priced menus just waiting for you....the choice is yours!

HOST FAMILY: For a more cultural experience you can choose to be accommodated with a local family. This allows you to get a better understanding of the culture of Argentina and you will be fluent in Spanish in no time! Basic/intermediate Spanish is required to stay with a Host Family. Please note that if you'd prefer to live with a host family, there is an additional supplement of £190.00 per month with half-board.

These families have been visited and vetted by Travellers and are with friendly and caring families who provide comfortable, warm and safe living surroundings. You'll most likely have access to TV/DVD and communal dining room and you will have your own key. This is an excellent way to improve your Spanish too! You will be met at the airport on your arrival by your family.

Food: Breakfast and dinner will be provided by your host family.

THINGS TO DO IN ARGENTINA

The romance of Argentina takes one's breath away. From the northern deserts to the southern Andean Cordillera, from Iguazú Falls to the magnificent desolation of Patagonia, Argentina's geography is varied and stunning. Argentina is geared up to thrill - from nights **tango**-ing in the chic quarter of Buenos Aires to **gaucho riding** in the grasslands of the Pampas.

Cosmopolitan Buenos Aires:

Buenos Aires is one of the most exciting cities in Latin America. Tango was born here, restaurants serve all manner of world cuisines, bars play the latest music, cafés spill on to the streets and nightclubs allow dancing throughout the night.

This fabulous city is renowned for its sophistication and has a surprisingly European feel about it.

BA is reminiscent of Paris and its tree-lined avenues and frequent plazas have a beguiling, faded elegance.

Downtown, the **Plaza de Mayo** is the traditional focus of activity.

Nearby **Avenida 9 de Julio** is popularly known as the world's widest thoroughfare and, with its nine lanes of traffic, is truly a pedestrian's nightmare!

Avenida Santa Fe is the most fashionable shopping area.

There are 4 clear seasons.....hot in summer, 35°C average and cold in the winter around 4 – 6°.
