Work experience, even if it is only for a short period, will give you a good insight into the practice of law and the legal system, the standards expected by employers and most importantly, will strengthen your CV!

Getting law related work experience gives you the skills, personal qualities and motivation to get through training and enter practice. It also shows employers that you are committed and serious about a career in law.

But...one of the greatest benefits of doing work experience is that you'll meet new people and expand your network.

## WORK CONTENT

Initially you will act as an assistant; going to meetings, attending court and doing some research. There will be plenty of variety in the things that you can do. The law firm will also find out what things interest you the most and what areas you are looking to gain experience in.

As this is a work experience placement you will be required use your own initiative.

The law firm practices in most areas of law. Within the firm, the lawyers specialise in their own areas. Their area of expertise includes:

- Property Settlements And Purchases Of Business
- Liquor Licensing

You will have the opportunity to work in different areas during your stay, depending on your skills and preferences and what work is available at the time

As with any law placement, the work you'll be involved with will vary according to your own abilities and attitude, and to what the company requires from you at the time you're there. Exactly what your office work will involve will vary from day to day, case to case and intern to intern. The all-round exposure you will gain will give you an extraordinary insight into Australian law.

You'll work during the firm's business hours, which are 9am - 5pm, Monday to Friday. When entering into a period of work experience, you take on certain responsibilities and obligations. These include:

- Carrying out the duties required by your supervisor
- Maintaining the confidentiality of the practice and clients
- Managing time, effort and resources to develop good working practices
- Seeking clarification through questioning
- Carrying out all tasks to the best of your ability

*“The experience of working at the Lawyers firm was an amazing one. Everyone is very friendly and they go out of their way to make you feel comfortable and make you a part of the office straight away. By the second week there, I felt as though I had been working there for years.*

*Every day is different, they allowed me to get involved in lots of different tasks as each lawyer specialises in different areas. The work consisted of me doing research, sitting in on consultations, taking statements from clients, filing documents at court, drafting wills/letters, handling my own files, going to Court.”*

## ACCOMMODATION

Your accommodation is located in the CBD (Central Business District) of Perth, Western Australia. Therefore you are very central, close to the main train station and shopping district.

You'll live in a centrally located lodge that is friendly and relaxing, making it ideal for long term stays. You'll most likely have your own room, but will share a bathroom with others on your floor. There is an excellent kitchen and storage area for cooking meals and plenty of space to relax.

Entertainment at the Lodge currently includes a pool table, cheap internet access, arcade machines and cable TV (Foxtel), to name a few, but with all the sunshine Perth has, you'll be out and about enjoying the many outdoor activities!

You are literally a stroll from the Swan River and free CBD transport. Trains and buses are also only a few minutes away to take you to Fremantle, King's Park or to the many other places.

The city centre boasts great shopping, restaurants and pubs or you can head over to Northbridge for more pubs, nightclubs and multicultural cuisine. You'll get to work via bus, which stops outside your accommodation.

- **Rottneet Island** - Just offshore from Perth, Rottneet Island is where the locals go to swim at white-sand beaches, snorkel in turquoise water over shipwrecks, or kick back and go fishing. Rotto, as it's called locally, is a car-free zone, which adds to its relaxed feel.
- **Margaret River** - No trip to Western Australia is complete without a pit stop at Margaret River. Originally a chilled out surfer town, Margaret River has evolved into the ultimate smorgasbord of good food, fine wine and spectacular scenery - just a three-and-a-half hour drive south of Perth.
- **Albany** - Prepare to be blown away by Albany's dramatic convict history, set against a backdrop of rugged granite coastline, green seas and a wild beauty that tugs at the heartstrings. Step back in time and explore convict jails, old taverns, whaling ships and settlers' cottages and grand National Trust homes in beautifully landscaped grounds.
