SUMMARY

PROJECT OVERVIEW

WORK CONTENT

- Beginners Photography - 2 or 4 Weeks
- Lighting & Studio Photography - 2 Weeks
- Nature Photography - 2 Weeks

You can also take all three courses together in a 6 week course to take advantage of a special, discounted price.

The Photography Centre organises indoor and outdoor photography courses, seminars, workshops & expositions and photo projections. The courses are aimed at everyone, from beginners to professionals who want to improve their skills. The photography centre is located around 15-20 minutes from your accommodation on public transport.

COURSE CONTENT:

Courses run throughout the year - as you'll be working 1-1 with your tutor (a unique experience!) the course can run at any time. All lessons are taught in English and all course materials are in English.

You will have lessons 2 or 3 times per week. The lessons will all take place during the week, to allow you the weekends for sightseeing and travel with your fellow students and other volunteers!

You'll be taught using videos, slides, enlarged photographs and your course book. You'll also have access to all the different cameras and studio equipment at the centre. Most students will work with both digital and film cameras. Our courses are all practical, and most of them include the opportunity to take photographs outdoors

On the course, you will cover a variety of skills and ideas and have the opportunity to put them into practice in beautiful Rio de Janeiro! For example, the **basic course covers:**

- How to use digital and film cameras
- Technical skills including composition, lighting & colour usage, flash techniques, exposure and filters
- Practical studio photography, including portraits and still life
- Practical outdoor photography
- A visit to a professional studio

If you are interested in another area of photography, we can sometimes organise a course in this area - just ask! If you are a group, and would like us to tailor a course for you in a particular area, this is also possible.

The contrast between rich and poor makes it a fantastic place to capture a real cross section of humanity, and explore how people live in our world. Set your imagination loose!!

CARNAVAL!

Carnaval is celebrated all over Brazil. The most famous is, of course, held in Rio, but the authentic versions can also be found outside that city. Carnaval begins at midnight on the Friday before Ash Wednesday and lasts for five days, but the whole country stops for about two weeks.

CAN'T SPEAK THE LANGUAGE?

If you speak some Portuguese (or even Spanish), you will find it very beneficial on this project. But don't be put off if languages aren't your thing! You're sure to pick up some of the basic words whilst you are there, and will find other ways to converse without language becoming a barrier. Don't forget that we can also arrange some Portuguese Lessons for you during your programme if you'd like.

"My experience so far has been amazing, from being picked up by the lovely Jess to meeting the girls in my dorm and getting to know the staff at Art hostel. My first photography lesson with Paulo was great. He was so friendly and knew exactly what I wanted out of the course. Paulo is very knowledgeable and full of tips to help improve my photography. I have learnt so much in such a short space of time."

ACCOMMODATION

You'll stay at a welcoming modern hostel in leafy Laranjeiras, a wonderful area of Rio, just a 15 minute walk away from where you can take the train to Cristo Redentor – one of Brazil's biggest attractions!

With friendly staff and a relaxed atmosphere, you are sure to feel at home as soon as you step inside. The hostel comprises lots of facilities including 3 TV's, computers, free Wi-Fi, and 2 communal areas with a bar, dartboard, snooker table and play station and 3!

You will stay in a dorm room (female dorms for woman and mixed sex dorms for men) but upgrades to a private room is available at a supplement. You will have access to a well equipped kitchen where you can prepare lunch and dinner and the hostel also offers a tasty Brazilian lunch for a good price.

Laranjeiras is one of the most traditional parts of Rio and is close to the Guanabara Palace and the Fluminense Football Club's training ground. You are just a 15 minute walk from the closest metro station and you can reach Copacabana beach in under 30 minutes. Nearby are banks, restaurants, supermarkets, shops, bars – everything you could need is right on your doorstep.

FOOD:

Breakfast is included in this project and is a fabulous spread of coffee, milk, fruit juice, bread, butter, jams, meat, eggs, yogurts, cereal, fruit and cakes which should set you up for the day.

You're located in the heart of Rio so there is an almost endless variety of dishes and restaurants, which is why we've provided the accommodation as breakfast only. Most of our volunteers regard eating out as one of the highlights of living in South America.

On your doorstep are numerous restaurants including local Brazilian fare, 'Por Kilo' restaurants (which charge based upon the weight of your food), Chinese, Japanese, Subway and snack shops galore! The snack shops, (Boteco's) are a good option where 'salgado's are served (a type of savoury pastry filled with meat, cheese or chicken) and 'pao de queijo' (literally 'cheese balls' – delicious little cheese and bread balls) that all cost around Rs 4.

One thing is for sure, you will not go hungry in Rio!

ADDITIONAL INFORMATION

Got any questions? Please email us: info@travellersworldwide.com

Once you have applied for a placement, we'll contact you and send you our Welcome Pack. You'll also receive Log-on details and password for our Volunteer Extranet where you'll have access to all the documentation and information which we've put together to facilitate preparations for your adventure!

Your Project Co-ordinator for your country will liaise with you throughout the arrangements process, as well as while you're on your placement and on your return home. The documents you'll have access to also include a Country Factfile, Safety Guide and any manuals that may assist you on your particular programme (for example, Teaching

Guide, Sports Manuals, Enrichment Suggestions for Animal Care, etc.). We do all we can to make your stay one that you'll never forget.

As with all our destinations, the culture and heritage is different to what you're used to ... which, although one of the most exciting aspects of travelling, should be borne in mind. Self-reliance and independence are highly appreciated in all our destinations and will help you to make the most of this wonderful opportunity! This is a truly awesome, elegant and beautiful country.

THINGS TO DO IN BRAZIL

LOCATION, EXPLORING AND SIGHTSEEING:

Location:

The hostel is located only a 15 minute-walking distance away from the Arches of 'Lapa', 'Cinelandia' and 'Flamengo', from where you can visit Sugar Loaf Mountains (Pao de Acucar) and the Statue of Christ, the Redeemer; only 3 minutes away from 'Catete' Underground station, where you can catch the train and get to 'Copacabana' or 'Ipanema' beach in less than 15 minutes.

There are several banks, ATMs, supermarkets, drugstores, cinema, hotels, shops, etc., all within a couple of minutes away, which makes the area interesting and busy, even at night! The options for entertainment are endless too; one night you can choose to watch a film at the cinema, or you can just chill out with friends in a local bar or pub. The romance of Argentina takes one's breath

THINGS TO DO IN RIO:

Visit the beach!

Choose from the famous **Copacabana**, **Ipanema**, **Barra de Tijuca** (pronounced Ba-ha), and **Leblon**, to name but a few! Copacabana is probably the world's most famous beach, with 3 miles of sunbathers and beach parties in front of one of the most densely populated cities on the planet.

Ipanema is Rio's most chic beach for the rich and the beautiful. Brazilians prefer busy beaches, with crowds of people, beach volleyball players, food sellers and sun tanners.

Volleyball, futevolley (volleyball but where you can't use your hands!) and beach soccer.

Futebol (soccer) is the national obsession, and Rio is the location of **Maracana Football stadium**, the largest stadium in the world. Many football legends have played in this ground.

Surfing in perfect rolling waves is ideal for beginners or more advanced surfers.

There are excellent opportunities for **rock climbing** in and near Rio and **hiking** is great along the coast and in some of the national and state parks.

For some adrenaline packed fun, try **hang-gliding**, especially around Pedra Bonita, near Pepino beach. The city has grown around the very green **Tijuca Forest**, creating the largest urban forest in the world. There are various trails into the forest and exploring it could easily take an entire day.

CARNAVAL!

Like Mardi Gras, Carnival has its roots in ancient pagan ritual. The wild parties began in the Middle Ages. Over time it flourished and incorporated extravagant costumes from India and primitive carnal beats from African rhythm. Carnival takes place before Lent where Catholic Brazilians officially gave up luxuries such as meat, alcohol and pastries.

The excitement of Carnival builds practically all year round. Rehearsals at samba schools begin in August and marching percussion bands practise for their performances of music throughout the year.

Carnival Balls are extreme, surreal and erotic events. There is various stages of undress, extravagant body painting, stickered tattoos, fishnets and spandex involved! Hypnotic music, grinding movements and beautiful ladies of the night vying for the camera's attention are included in the price of the ticket. Some of these beautiful ladies are less 'lady'

than they may appear...Street Carnival is all about the dancing in the streets, marching bands pump out their theme tune and other rhythms as the drag queens and party crazed people bop along behind.

The samba parades are perhaps a highlight of carnival. As the Lonely Planet so nicely puts it, the Brazilians harness sweat, noise and confusion and turn it into art. The best Samba schools in the country prepare all year for their moment of glory. This procession is a competition of the art. There are many aspects to samba including percussion, song, dance, choreography, costumes, story line, floats and decorations. The winner of the samba parades earns admiration and the pride of Rio and all of Brazil.
