## PROJECT OVERVIEW

### WORK CONTENT

This is a special summer project arranged during the children's holidays in April and May to keep them entertained, have fun and teach them some skills at the same time. The main appeal of the summer camps is that you can give hands-on attention to all the children in an informal setting; it's an exciting opportunity for us, the children and you!

The summer camps in India are a roaring success; one volunteer has helped out with a special 'Cricket Camp' that was arranged at one of the schools. He spent his time practising new skills with the boys and they were enthusiastic, eager to learn and at the end of the camp they had greatly improved.

The activities on offer for the children are so wide-ranging that there is something for everyone:

- Many sports, including **football, badminton, cricket, karate, yoga, chess, gymnastics**
- A great range of creative activities including **dance, art, design, drawing, puzzles, Indian folk music, drums, Western dance**, even **skating!**
- More academic activities are also available **mental maths, handwriting, spoken English, English grammar, computers, current affairs** and **amazing facts**.
- We also have a '**kiddie's camp**' for those of you who love nurturing the little ones! This is aimed at providing an all-round and total learning and growing environment for them. You can help with **story time, audio/visual, music and dance**.

The kids will be learning to use English at the same time, so they'll not only have fun, they'll also benefit from the activity. These activities also benefit the children by improving their team-work skills, social interaction and building their confidence.

The Summer Camp will take place in the grounds of several schools where our teaching volunteers assist during normal school term time. All of these schools are in the delightful and bustling city of Madurai in the southern state of Tamil Nadu. There are normally around 3 hours available each day at each summer camp which last from 2 weeks to 2 months!

During the holiday period it is likely the school will have only a few members of staff present as the rest of the staff are likely to be away on holiday. For this reason you will have the opportunity to become quite involved in the structure, running and development of the camp, which will require you to work on your own initiative for a lot of the time. For this reason, being creative is a must.

You may work with large or small groups of children, so you need to be diverse and organised, but you are encouraged to utilise any skills or passions you have, whether these are playing sport, music, drama or just games. Past volunteers made a real difference by introducing a fun and creative way for the children to express themselves and learn about new things. You'll be rewarded by how much fun the children will have!

So if you haven't got anything planned and you're free for a couple of weeks or longer from April onwards, why not come to India and have fun with the kids.

Our India team will look after you well. You'll get lots of advice about the do's and don'ts of Indian culture, what to do and where to go...

All of our hosts are very welcoming and not only will be made to feel part of the family, you'll also gain a great insight into Indian culture and customs. ## THINGS TO DO IN INDIA

### LOCATION, EXPLORING AND SIGHTSEEING:

**INDIA REALLY HAS IT ALL**, from the hot sultry deserts of **Rajasthan**, the **Taj Mahal** and the majestic **Himalayas** in the north, to the idyllic palm fringed **beaches** and ancient **temples** of the south, plus a multitude of **wildlife parks**! The way to best enjoy India is to absorb it - the warmth of the people, the beauty, the smells, the food, and the wonderful hospitality!

#### MADURAI

Many of our projects are based in the bustling city of Madurai in the southern state of **Tamil Nadu**. Madurai is known by many names; 'Jasmine city' for the famous jasmine flowers that are cultivated here, 'the city of Nectar', Legend tells of a river of nectar that flowed after blessing from Lord Shiva, and the 'Temple City',

Madurai really does have a temple or shrine on practically every street but it is most famed for the **Sri Meenakshi Sundeswarar Temple**. Pilgrims and tourists alike flock to visit the temple and approximately 10,000 visit every day! The temple is named after goddess Meenakshi. It was built in the 17th century and is an enormous structure with 5 outer towers crammed full of idols and animals. The inner courtyard contains another 7 towers, again all highly adorned. It will take your breath away.

Madurai is located on Vaigai River and was the capital of Pandyan rulers till the 14th century. It is full of cultural diversity and life revolves around the awe inspiring Sri Meenakshi Sundaeswarar temple, awash with pilgrims, market stalls and tourist shops. Children will stop you on the streets to chat to you and shake your hand and even ask for your autograph! You will be in demand everywhere you go and you'll feel like a celebrity, such is the warmth of the Indian people. If you're after an overwhelming experience, then Madurai is a certainty for this!

**KERALA** has been named ""Gods own Country" by the locals for its stunning scenery, wildlife, beautiful beaches, picture postcard towns and the breathtaking backwaters.

It is also the home of Ayurveda medicine, an ancient system using essential oils and vigorous massage to aid medical complaints or just for pampering - a one hour massage is an unforgettably relaxing experience.

Kerala also has one of the best wildlife parks in the country; Periyar. A huge array of activities are on offer, jungle trekking and jeep safaris which take you off the beaten track in the hope of spotting an elusive tiger although you are more likely to see elephants, boar, monkeys and many species of birds.

You can also take an elephant ride, boat ride, visit spice and tea plantations, watch martial arts – it's an action packed weekend and only 4 hours from Madurai!
