PROJECT OVERVIEW

WORK CONTENT

The schools we work with are all situated in the bustling city of Madurai in the southern state of Tamil Nadu. The schools are mainly 'Matriculation' which means that English is taught as the first language. These schools tend to have play areas for sport which is enjoyed as PE classes throughout the day. However most of the schools have only basic equipment such as a few deflated footballs, no nets or bibs and potholed pitches! Some schools even use the car park as a playing ground. Although materials and resources may be scarce, the enthusiasm of the students and colleagues more than makes up for any hardships.

The children are a joy to teach as they are incredibly enthusiastic about games. They turn up for training each day eager to learn new skills, have fun and practice their English. Coaching sports has immeasurable indirect benefits for the children, such as health awareness, increased confidence and social skills.

You'll usually coach for 3 to 5 hours at one school only, however there is a possibility that you may coach in two sessions and at two different venues. You will work in secondary schools and you will normally help out with all age groups. You will be in popular demand wherever you are placed and the children will crowd around you like a celebrity and want your autograph. Keep a pen on you at all times!

The Principal/sports director and/or relevant teachers at the school and colleges will liaise with you about your coaching assignments and our Organiser will also be happy to assist you were necessary.

At the end of the school term in 2007, Tim Roberts, a Travellers volunteer who was coaching football at the time was keen on organising a tournament between two of the schools. With help from another volunteer who was coaching in addition to his teaching English project, they put together the tournament with Travellers sponsoring the event. It was a roaring success with the winning team receiving trophies and medals and the runners up also were handed medals.

Coaching football is only available from June to February as from the beginning of March the children have to concentrate on their academic studies as their exams are just around the corner. However, you may be able to coach during the Summer Holidays (April to May) when Summer Camps are held in some of our schools for approximately 60 children. These Summer Camps actually take place in the school grounds and are an opportunity to give more informal lessons, perhaps combining them with playing a sport or putting together a music concert or play – much more relaxed and not quite so structured. Alternatively, you can use the holidays to tour around the country and sightsee.

If you would like to coach other sports and not just football then you also have the opportunity to do this. The sports you can teach are volleyball, cricket, football, tennis, table tennis and badminton.

Coaching sports is only available from June to February as from the beginning of March the children have to concentrate on their academic studies as their exams are just around the corner. However, you may be able to coach some sport during the Summer Holidays (April to May) when Summer Camps are held in some of our schools for approximately 40 children. These Summer Camps actually take place in the school grounds and are an opportunity to give more informal lessons, perhaps combining them with playing a sport or putting together a music concert or play – much more relaxed and not quite so structured.

FREE COACHING MANUALS:

As a volunteer sports coach with Travellers, you have access to a large number of coaching manuals for each sport - these manuals have been produced in-house by our Sports Manager. These manuals are very useful and will help you to plan coaching sessions for your students.

SUMMER CAMPS:

During the summer holidays many of the schools offer “Summer Camps” to the students. Teaching of conversational English during this holiday is available to approximately 60 students who attend the camp. These camps normally take place on the school grounds and are an opportunity to give more informal lessons. They can also be combined with playing sports or putting together a play.

Therefore the camps are much more relaxed and not quite so structured. They are a lot of fun! And the kids adore them!

Teaching is not available during the other holiday periods, so please take the above dates into account when planning your placement. On the other hand, if a holiday falls during your proposed placement, you could use this time to do any independent travelling and sightseeing.

SCHOOL HOLIDAYS IN THE SOUTH OF INDIA (APPROX):

Tom Harris

“I'm certainly enjoying my time here so far, and I feel I am gaining a lot of confidence from the coaching. I found it amazing how quickly you find yourself becoming like coaches and teachers that taught me when I was a kid.”

“Everything about my placement coaching football was fantastic - the friendliness of the people in Madurai, the excellent living conditions in the Travellers house and the wonderful support from the in country supervisors. But most of all what really made it for me were the school kids I was coaching - all of them such great characters, extremely dedicated and so grateful for the opportunity to be taught more about football.”

THINGS TO DO IN INDIA

LOCATION, EXPLORING AND SIGHTSEEING:

INDIA REALLY HAS IT ALL, from the hot sultry deserts of **Rajasthan**, the **Taj Mahal** and the majestic **Himalayas** in the north, to the idyllic palm fringed **beaches** and ancient **temples** of the south, plus a multitude of **wildlife parks**! The way to best enjoy India is to absorb it - the warmth of the people, the beauty, the smells, the food, and the wonderful hospitality!

MADURAI

Many of our projects are based in the bustling city of Madurai in the southern state of **Tamil Nadu**. Madurai is known by many names; 'Jasmine city' for the famous jasmine flowers that are cultivated here, 'the city of Nectar', Legend tells of a river of nectar that flowed after blessing from Lord Shiva, and the 'Temple City',

Madurai really does have a temple or shrine on practically every street but it is most famed for the **Sri Meenakshi Sundeswarar Temple**. Pilgrims and tourists alike flock to visit the temple and approximately 10,000 visit every day! The temple is named after goddess Meenakshi. It was built in the 17th century and is an enormous structure with 5 outer towers crammed full of idols and animals. The inner courtyard contains another 7 towers, again all highly adorned. It will take your breath away.

Madurai is located on Vaigai River and was the capital of Pandyan rulers till the 14th century. It is full of cultural diversity and life revolves around the awe inspiring Sri Meenakshi Sundareswarar temple, awash with pilgrims, market stalls and tourist shops. Children will stop you on the streets to chat to you and shake your hand and even ask for your autograph! You will be in demand everywhere you go and you'll feel like a celebrity, such is the warmth of the Indian people. If you're after an overwhelming experience, then Madurai is a certainty for this!

KERALA has been named ""Gods own Country" by the locals for its stunning scenery, wildlife, beautiful beaches, picture postcard towns and the breathtaking backwaters. It is also the home of Ayurveda medicine, an ancient system using essential oils and vigorous massage to aid medical complaints or just for pampering - a one hour massage is an unforgettably relaxing experience.

Kerala also has one of the best wildlife parks in the country; Periyar. A huge array of activities are on offer, jungle trekking and jeep safari's which take you off the beaten track in the hope of spotting an elusive tiger although you are more likely to see elephants, boar, monkeys and many species of birds. You can also take an elephant ride, boat ride, visit spice and tea plantations, watch martial arts – it's an action packed weekend and only 4 hours from Madurai!
