SUMMARY

PROJECT OVERVIEW

Work at a school in Auckland, the largest city in New Zealand. Auckland is known as the city of sails and is surrounded by beautiful islands and extinct volcanoes. At the moment there is a shortage of teachers so your help will be very beneficial and is very much appreciated.

You will work as an assistant teacher to the music teacher. The school has a large number of ethnic children who are classed as the underprivileged community in Auckland. There are children from many different communities and countries at the school such as Maori, Somalia, Ethiopia, Tonga and Samoa. These children come from lower socio-economic backgrounds and so your teaching can make a difference to them and help them integrate into the normal Kiwi culture!

As an Assistant to the Music Teacher, you'll have the opportunity to work one-to-one and in small groups with the children to assist them with their music and really give them the attention they need. Class sizes vary between 20 and 30 children in each class and you will be teaching children between the ages of 5 and 18, depending on which school you're at. You'll be involved in teaching a number of different instruments and groups:

- Guitar
- Recorder
- Instrumental
- Keyboards/Piano
- Choir
- Instrumental group
- Ukulele

The lessons you'll teach generally last for 40 minutes and the school day runs from around 8:55 a.m. to 3:00 p.m. Your working day will be around 4 to 5 hours of teaching and preparing for your lessons. The Music project runs from Monday- Friday, or 3 days per week, depending on which school you are at. At Owairaka you would have the opportunity to help 2 days per week as an assistant teacher in normal lessons.

PLACEMENT DATES AND WORKING TIMES:

You are likely to work between 8:30 a.m. - 3.00 p.m., Monday - Friday. The programme is only available during the school times, which are as follows for **2015**:

- Term 1: 2nd Feb – 2nd April
- Term 2: 20th April – 3rd July
- Term 3: 20th July – 25th Sep
- Term 4: 12th Oct – 15th/18th Dec

REQUIREMENTS:

Anyone working with children and/or vulnerable adults is required to complete a Criminal Records Check (CRC) as part of their application process. We'll provide you with the necessary papers and take you through the process.

“All in all I had a fantastic time. The staff are amazing there and I felt immediately welcome. Having worked in a school in England for the rest of my gap year I have observed that there is a much more relaxed attitude to life in New Zealand. The children are amazing and I will remember them and my time teaching forever.”

ACCOMMODATION

ACCOMMODATION:

You'll live in a centrally located hostel that is friendly and relaxing, making it ideal for long-term stays. You will be sharing a room with other volunteers. There is a communal kitchen and storage area for cooking meals and plenty of space to relax.

Entertainment at your accommodation includes cheap internet access, TV and free pool table. You are literally a stroll from the Sky Tower, harbor and waterfront. Accommodation is very central and close to the main train station and shopping district. Buses are also only a few minutes away to take you to parts of Auckland and New Zealand or to the many other 'things to do'!

Food:

Food is not provided on this project, but Auckland has restaurants to suit all tastes - the most popular cuisine is New Zealand lamb which can be ordered at many restaurants around the city and is well worth it. For meals in local restaurants, a trip to Auckland's inner city centre is well worth the effort - it bustles with activity and offers a range of choices of restaurants.

"Hi Annette, Just a quick note so say how much the staff enjoyed having Jennie and Delyth and are still enjoying having Adria. They all fitted in really quickly and have been a tremendous help to us. As well as helping children read, assist in class and so on, we had a new child arrive who was very needy and Jennie and Delyth were able to work with him separately at different times while we were trying to organize support. This meant the teacher was assisted greatly and could concentrate more on the rest of the children. Just wanting to pass on all the school's thanks for the volunteers and hope there are many more to come"

THINGS TO DO IN NEW ZEALAND

LOCATION, EXPLORING AND SIGHTSEEING:

The country can be divided into the North Island, the South Island and Stewart Island, as well as many tiny surrounding islands. The North Island is typically famous for beaches, springs and bush, whilst the South Island boasts mountains, glaciers, alpine forests and farmlands.

AUCKLAND

The city centre boasts great shopping, restaurants and pubs or head over to the viaduct for more pubs, nightclubs and multicultural cuisine. You'll get to work via bus, which is close to your accommodation.

Maori settlement in Auckland was at least 800 years ago where by different tribes built their fortifications on the various volcanoes in Auckland. When the British arrived in 1840 they claimed Auckland as the capital city of New Zealand until Wellington became the capital 25 years later. The city is modern and vibrant - a fun and friendly with beautiful surrounding islands and harbour. Some of its more famous attractions include the **sky tower**, **Rangitoto Island**, the harbor, the **Hauraki Gulf islands** and the many extinct volcanoes that are in Auckland which provide great views of the city...

Climate: New Zealand has a largely temperate climate. While the far north has a subtropical summer, the inland alpine areas can get as cold as -10°C in winter. Most of the country, however, lies close to the coast, which means mild temperatures, moderate rainfall and abundant sunshine.
