SUMMARY

PROJECT OVERVIEW

The crèche is supported by the Department of Social Development and some of the parents (those that are able to) pay a small school fee. They also do fundraising in the form of concerts, fashion shows, braais' and selling hamburgers to raise money to keep the crèche running.

There are currently about 70 children at the crèche aged between 2 and 6 years old with about 5 staff members. Afrikaans is the main language spoken however your supervisor does speak good English.

You'll have a lot of freedom to set up your own days activities if you would like to. You'll also get the opportunity to painting murals to brighten up the class rooms. Activities include anything from singing, painting, reading, educational classes (like learning the alphabet) and playing with educational toys.

Any activities are welcomed that will stimulate the children's mind and teach them about themselves and the world around them.

You'll generally work from Monday to Friday from 7.30am until 2.15pm.

- 7.00am: The crèche opens early for those parents who drop their children off before work.
- 8.00am till 8.30am: The crèche officially starts the day with breakfast porridge for the children.
- 8.45am till 10.00am: The daily program starts in the form of the 'morning ring'. The children are split up into groups according to their ages and arranged in a circle. They then go through the particular activities for that day. This is the most important part of the day's activities.
- 10.00am till 10.30am: Children eat their snacks they have brought from home
- 10.30am to 11.00 am: Play time!
- 11.00am to 11.45am: Singing, music and story time.
- 12.00 am till 12.30am: Lunch which is a cooked meal at the school.
- 12.30am till 13.30pm: Hours nap time.
- 14.00pm: The children are then collected by their parents or arranged transport. If they live very close in the surrounding area they might walk home.

EXTRA ACTIVITIES YOU MAY BE ABLE TO INCORPORATE INTO YOUR PROJECT

You may also have the opportunity to provide help and support to the local community through the various afternoon activities we have to offer. This is an excellent way to immerse yourself in the African culture, but most importantly to give a caring hand to the local community. The activities could range from helping out at:

- **The Safe House:** Make the afternoons fun and exciting for these lovely children by playing games, helping them with homework and just being there to give them the attention that they so appreciate.
- **After-school drama or sports** - Take some time out after school to set up after school sports or drama clubs, the children love it and it's a great way to get to know them better in a relaxed and fun environment. If you'd like to set up a drama or sports club, please let us know when you apply so that we can arrange it with the school before you arrive.)
- **Other community projects** - Past volunteers have helped to paint the outside of a crèche that was in desperate need of a lift. The crèche is now looking very cheerful with brightly coloured walls. A jungle gym was donated to this orphanage and volunteers also helped to put it together for the crèche too! There may be other similar projects available at the time you're there that you might want to participate in.
- **Township soup kitchen:** On days that your school roster might allow you to finish a little early, our volunteers sometimes help at a local township soup kitchen

“A real experience of a life time to remember for ever! My experience in Kynsna is definitely not one I'm going to forget in a hurry it will be with me for ever! I met a lot of amazing people who I will never forget!”

Zoey Marshall

“The area is beautiful and travelling is easy. The house we stay in is lovely and the Travellers workers are such kind, loving people which really makes it feel like a home away from home. What with all the other volunteers and the Travellers staff, it really does feel like our own little family ... well, our own very big family, I suppose.”

ACCOMMODATION

ACCOMMODATION: THE VOLUNTEER HOUSE:

The volunteer house in Knysna is within walking distance of the town, yet set against a natural green belt. The bird life is prolific and often the local Vervet monkey troop comes to visit to entertain the volunteers with their antics. The sunset views from the top balcony of the volunteer house of the Knysna lagoon are beautiful and great way to relax after a day working at your placement or to catch up on your tan in the summer. See photo on right-hand side.

The house is large and spacious and also has a self-contained flat downstairs for couples and families. The bedding in the two same sex dorms and the towels in their ensuite bathrooms are changed regularly every Friday by our much loved cleaner, Pretty, and there is plenty of cupboard space to store your clothing. Facilities include a kitchen kitted out for cooking, dining area, a few bathrooms, TV, DVD player, free Wi-Fi, garden and several wooden verandahs.

There is an outside courtyard and garden in the secure grounds where you can have a typical South African barbeque known there as a 'braai'. Make sure you try the local spicy sausage known as 'boerewors' and the Karoo lamb chops are to die for on a 'braai', but if fish is more to your taste then a fish 'braai' with South African 'snoek' is a must.

FOOD:

You'll be given a food budget which will cover your basic essentials (but not extras like alcohol, snacks and eating out). The kitchen has all the cooking amenities that you might need to take advantage of preparing meals with some of the great seafood, meat, fresh fruit and vegetables South Africa has to offer. There are supermarkets and local shops where you'll do your food shopping.

There are plenty of excellent restaurants within walking distance that offer the most incredible local and international cuisine which our volunteers rave about. Knysna is also famous for its oysters and even has an annual Oyster Festival where everyone eats and drinks far too much!

The waterfront and marine is beautiful and full of restaurants and cafes with cuisine that ranges from breakfast, coffees, cakes and snacks, through to sumptuous meals and various different nationality menus.

MORE ABOUT THE CRECHE

The crèche was established in 1993 in the aim to help prepare the children for primary school and to help with their social and mental development. Many of the children have progressed onto primary school with great feedback from the community, parents and schools, too.

The crèche is supported by the Department of Social Development and some of the parents (those that are able to) pay a small school fee. They also do fundraising in the form of concerts, fashion shows, braais' and selling hamburgers to raise money to keep the crèche running.

The children learn through educational activities, music, fantasy and discovery programs. You will get the opportunity to help out with all activities and will also have some freedom to set-up certain activities yourself - you are very likely to be in popular demand!

There are currently about 70 children at the crèche aged between 2 and 6 years old with about 5 staff members. Afrikaans is the main language spoken however your supervisor does speak good English.

On Arrival, your Introduction to the Country: When you arrive you will be welcomed by a member of our South African staff who will take you to your accommodation and introduce you to everyone. During your first few days you'll be given an induction so that you can learn about the country and its culture, as well as other useful information, like how to use the transport system, banks, safety issues, tipping, and lots more.

THINGS TO DO IN SOUTH AFRICA

LOCATION, EXPLORING AND SIGHTSEEING:

The best advice you'll get from us is to try to see some of the country while you're in South Africa. It's big (huge!) and each different region is exciting and very, very beautiful. Cape Town is probably the most beautiful city in the world (I can say that, I grew up there :-). KwaZulu-Natal comes a very close second, albeit very different. Knysna is where South Africans go on holiday, which gives you some idea of how lovely the region is. When you lie on the beach and watch dolphins jumping the waves, you'll think you're in Paradise.

Knysna is approximately 500km from the beautiful capital city of Cape Town and voted South Africa's favourite town 4 years in a row!

Its mountainous backdrop, impressively sized estuary and indigenous forests really give the town a natural feel to it. Although it still has that 'small-town' feel, Knysna is growing rapidly, and has all the amenities you could ask for such as banks, hotels, internet café's, cinemas and shopping malls.

About 20-30 minutes' drive away from Knysna you'll find **Plettenberg Bay** (better known simply as Plett), which is a bit smaller than Knysna, but equally stunning. Its' pure white beaches stretch as far as the eye can see and there is a lot to do, from whale and dolphin watching, to hiking trails and awesome nightlife.

The Garden Route is famous for all sorts of activities from adrenalin sports such as bungee jumping, skydiving and shark cage diving to more relaxed pursuits such as hiking, quad biking in the forest or visiting one of the many animal sanctuaries in the area. Your local Travellers liaison will be happy to assist you in finding interesting things to do and places to see so make the most of it!

Knysna nestles on the banks of a beautiful lagoon in the heart of the 'Garden Route' of South Africa. It is surrounded by a natural paradise of lush indigenous forests, tranquil lakes and golden beaches, making it a real natural wonderland.

Knysna is a vibrant town, buzzing with creativity and energy, and the pulse of good music. It's a place where the you can enjoy the mellow atmosphere of street cafes, watching the world go by. The main street is very leafy with trees along the pavements and it has a wonderful holiday atmosphere with sun umbrellas everywhere.

Most cafes have outdoors seating areas overlooking the street or on the pavements, with colourful sun umbrellas - a perfect place to sit with the sun on your face, watching passers-by ambling along, sipping a steamy cappucino or staving off the heat with a cold drink.
